To: Existing Customers of Blanchard Utility Services—Revised 2025 Rate Increase

The residential sewer rate for 2025 will only increase \$3.47 per month--from the current \$69.30/month to \$72.77/month.

Reminder: Sewer is billed on the 20th of each month for the following month. Bills are due on the 10th of each month and a 5% late charge is assessed on the 11th of the month for past due balances.

Please contact me if you have any questions.

Sincerely,

Teresa Zamora
